PROJECT EXPERIENCE

D&AD New Blood Brief

Jan 2024-Mar 2024

- **Advisor:** Christine McCarty
- **Project Scope:** The project involves promoting outstanding design and advertising, design research, data collection, poster, magazine, and print poster design, etc.
- **My Role:** Art Director
 - Provided innovative design thinking and constructive opinions for the project, injected new artistic elements and creative inspiration into the birth of the brand, ensured that the design style remained consistent with the brand image and collaborated with team members to guide them in refining initial design concepts into executable projects.
 - Further suggested product promotion activities such as tea-tasting experiences, participated in designing product packaging, and contributed to some poster designs.

Boston University AdLab Brand

Jan 2025-May 2025

- **Project Scope:** Developed and executed brand-level social and editorial content for BU AdLab's official platforms, supporting ongoing communication, storytelling, and community engagement.
- **My Role:** Copywriter
 - Wrote platform-specific copy for Instagram and LinkedIn, maintaining a consistent brand voice.
 - Created captions for All-Agency weekly carousel posts.
 - Contributed content for AdLab Archives and interview reels.
 - Authored news articles published on the BU AdLab website.

LEGO × National Parks Integrated Campaign

Jan 2025-May 2025

- **Project Scope:** The project focuses on developing an integrated creative campaign that combines social media, interactive digital experiences, and physical merchandise to promote environmental conservation through a LEGO × National Parks collaboration.
- **My Role:** Creative & Visual Designer
 - Led the creative execution of the campaign across social, interactive, and physical brand touchpoints, ensuring visual consistency and strong storytelling.
 - Designed social media posts, OOH concepts, and key campaign visuals to communicate the campaign idea clearly and effectively.
 - Conceptualized an interactive app feature that transforms real-world national park landscapes into LEGO-style visuals, enhancing user engagement.

- Participated in the design and development of branded merchandise to extend the campaign experience beyond digital platforms.

Reco Client Campaign

Jan 2025-May 2025

- **Project Scope:** The project focuses on creating a media-led, social-first campaign strategy to reposition Reco as a community-driven storytelling platform and drive user engagement and app adoption.
- **My Role:** Media Strategy & Copywriter
 - Developed the core media strategy that served as the foundation for the campaign's creative, influencer, and content executions.
 - Designed a social-first storytelling framework focuses on user-generated content (UGC) to build emotional connection and community participation.
 - Built a 6-month social and influencer media plan, including content cadence, channel roles, and strategic direction.
 - Contributed copy and narrative guidance to campaign content and presented the final campaign in a live client pitch evaluated by the client

PROFESSIONAL EXPERIENCES

International Department, University of International Business and Economics

Customer Relations of USF

Sept 2022 – Aug 2023

- **Represented the International Department of the University of International Business and Economics to promote courses and campus activities to USF students.**
 - Planning and organizing campus events:** hosting seminars, exhibitions, lectures, etc., to attract students' attention and participation.
 - Promotion and publicity:** utilizing social media, campus radio, posters, and other channels to promote course information to students and attract them to enrol.
 - Student consultation:** addressing students' inquiries about the courses, providing relevant advisory services, and helping them understand the course content and employment prospects.
 - Feedback compilation:** collecting students' feedback, summarizing and analyzing it, and providing improvement suggestions and market analysis for the international department.

LEADERSHIP / CO-CURRICULAR ACTIVITIES / COMMUNITY INVOLVEMENT

Part-time Host

Sept 2019-Present

- Communicated with clients or event organizers from diverse backgrounds to understand themes, purposes, and requirements of events; Engaged with the audience or participants to interact, guided the on-site atmosphere, and maintained the enthusiasm and energy of the event; Introduced the event's flow and providing on-site commentary or narration; Coordinated with other staff to ensure the smooth running of events.
